Contractor

8. **Earnest Money Deposit and Security Deposit**

The tender must be accompanied by Earnest Money Specified in the tender notice in the form of a Demand Draft as described above.

9. **Security Deposit**

The successful tenderer shall deposit an amount equal to 5% of the awarded contract value towards Performance Security alongwith executing agreement. This shall be furnished in the form of DD/Bank Guarantee from Nationalized Bank as per the format given and should valid for the entire period of supplying plus **Warranty period of 2 year (Two year)** from the date of commissioning and shall submit within one week of the award of the work. E.M.D will be refunded to the contractor after remittance of the security deposit and execution of the agreement. No interest will be payable to contractor on EMD or Security deposits by the Museum.

10. **Tender rates and validity**

i. Tenderer should quote **both in figures as well as in words** the rates and amount tendered by him for each item in such a way that interpolation is not possible. All corrections and alterations in the entries of tender papers will be signed in full by the tenderer with the date. In case of conflict, between words and figures, the lower amount will only be considered as correct.

ii. Tenders submitted by tenderers shall remain valid for acceptance for a period of 90 (Ninety) days from the date of opening of the tender. The tenderer shall not be entitled, during the said period of 90 days without the consent in writing of the Director, to revoke or cancel his tender or to vary the tender given or any term thereof.

11. **Price Escalation**

i. The rates quoted shall be deemed to be free from escalation of any kind. The Museum shall not accept for any reason, whatsoever, price and tax escalations or any other item in respect of any material and or any category of labour during the whole period of operation of contract. The rates accepted by the contract agreement shall not be changed for any reason.

ii. The tenderer should submit a statement along with his tender giving details of the tenderers previous experience of similar works of comparable nature, also the type and size of the organization owned by him.

iii. The Director does not bind himself to accept the lowest tender and reserves to himself the right to reject any or all the tenders received without assigning any reason whatsoever. Director also retains the right to negotiate with any one or all the tenderers after the opening of the tender and any of the terms or clauses of the tender. The work may be split up and awarded in part, if considered expedient.

Contractor

- iv The rate quoted by the tenderer shall include all cost of labour, materials, supervision thereof, hire for all tools and implements, incidental charges, and cover the insurance, taxes, duties, transportation, delivery, loading and unloading at site etc.
 - v. The work should conform to general standards. The selection of materials also will be of general standards.
 - vi. The work site should always be kept clean of unwanted materials; rubbish etc. and all necessary safety precautions should be taken by the contractor as per safety rules. Insurance coverage of men and materials are the sole responsibility of the contractor.
 - vii. Tenders which are incomplete in any respect shall be rejected.
12. **Terms of payment, completion time and penalty guarantee**
The payment shall be made as under:-
- i. Full payment of the completed works will be paid immediately after satisfactory supply of items as per given drawings and necessary certification from the Engineer concerned of the Museum.
 - ii. The contractor shall guarantee that all equipments & installation shall be free from any defect and the equipment shall operate satisfactorily and that the performance and efficiency of the equipment shall not be less than the guaranteed values. The guarantee shall be valid for a period of not less than One year from the date of satisfactory reliability and performance tests. Any part found defective during the guarantee period shall be replaced by the contractor free of cost to the Museum. The prompt service of the contractor for such works shall be made available free of cost to the Director.
13. **Inspection and testing**
Director's authorized representative shall have all powers to inspect any portion of the equipment, examine the materials and workmanship at the contractor's work of any other place.
14. **Rejection of defective equipment and materials**
If any portion of material thereof before it is taken over found defective or fails to fulfill the extend of the requirement, the contractor shall on receipt of a written notice from the director forthwith to replace the defective materials within a stipulated period mentioned in the written notice or replace the equipments at no extra cost to Museum. Any damage caused during the transit, testing etc. shall be made good by the contractor without any extra charges to the Museum.
15. KSSTM will not provide any accommodation/transportation for the engineers/representatives for attending installation, commissioning and demonstration work. It is the absolute responsibility of the principal supplier to make their own arrangements.

16. **Bye-Laws**

The contractor shall comply with Bye-laws and regulations of local and statutory authorities having jurisdiction over the work and shall be responsible for payment of all necessary notices and keep the Director informed of the said compliance with Bye-Laws, payment made, notices issued and received.

17. **Completion time**

The work covered by the contract shall be commenced and executed in accordance with the schedule within 1 (One) month from the date of award of work.

18. **Extension of time**

If the contractor shall desire extension of the time for completion of the work on the grounds of his having been unavoidably hindered in its execution or on any other grounds, he shall apply in writing to the Director who reserves the right to decide on the matter.

19. **Cancellation of contract and alternative arrangement for affecting the supply / executing the work.**

In case of the failure of the contractor to keep up to the executing and delivery schedules and if in spite of a written notice given to him by the Director he fails to supply within the prescribed time limit, the Director can terminate the contract immediately without any legal notice and thereafter the Director shall have every right to get the work completed through other agency/agencies at the risk and cost of the contractor. Further any loss or extra cost in this regard will be deducted from the amount due to the contractor.

20. **Arbitration**

Arbitration shall not be a means of settlement or disputes or claims arising out of this contract relating to the work. In case of any dispute or difference between the parties of the contract, either during or after the completion of the work or after termination or breach of contract, or as to the interpretation of the provisions of the contract or as to any matter of thing arising there under except as to any matter left to the discretion of the Museum under the clauses of the contract, such dispute or difference shall be referred to the Principal Secretary, Higher Education, Government of Kerala. If not settled then the matter shall be referred to the Civil Courts of Thiruvananthapuram and the jurisdiction of such matter will be confined to Courts Thiruvananthapuram only.

Contractor

21. **Extra items and additions**

i. **Power to make alterations:-**

The Director shall have the power to make in writing any alterations, omissions, additions or substitutions for original specifications, drawings, designs, patterns and instructions that may appear to him, necessary or advisable during the progress of the work and the contractor shall be bound to carry out the work in accordance with any instructions which may be given to him by the Director or his representative. Such omissions, additions, alterations or substitutions shall not invalidate the contract. Any altered, additional or substituted work, which the contractor may be directed do in the manner specified above as part of the work shall be carried out by the contractor on the same conditions in all respect on which the main work was agreed to be done, and the rates according to clause 21 (iii). Addition to existing items and quantities will not be constituted an extra item. The agreed rates for all items shall remain unchanged till the completion of the contract.

ii. No alterations, omissions, amendments, additions, substitutions or deviations of the work under the contract as shown by the contract, drawings of the specifications shall be made by the contract except as directed in writing by the Director.

iii. **Rates for additional items**

- a) The rates for such additional, altered or substituted work if directly available in the contract for the work, the contractor shall be bound to carry out the work at the same rate as are available in the contract for the work.
- b) If the rates for the additional, altered or substituted work are not directly available in the contract for the work, the rates for a similar class of work as specified in the contract shall be worked out and agreed mutually.
- c) In the absence of any agreed rate or similar item in the contract, the rate for the extra item of work shall be mutually agreed based in the evaluation of cost and other charges, if ascertained from the market and other agencies.

22. The rate quoted by the tenderer shall include all cost of labour, materials, supervision thereof, hire for all tools and implements, incidental charges, and cover the insurance, taxes, duties, transportation, delivery, loading and unloading and installation and fixing at site (information centre, KKNPP, Koodankulam, Tamilnadu) etc.

I/We hereby declare that I/We have read and understood the above instructions and the terms and conditions mentioned above are binding on me/us.
